

FIX-N-FAX #112

CALIFORNIA DEPARTMENT OF FORESTRY AND FIRE PROTECTION

No. 112

Equipment Standard

Mandatory Compliance

Date: July 1990

Revised: February 1995

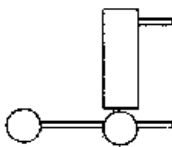

Side View Mirrors - Medium Transport

This Fix-N-Fax is to ensure that all CDF medium transports, when operating on the public roadways, have an adequate rearview mirror system which complies with CVC Section 26709.

The standard shall be existing mirrors and brackets to remain as originally equipped with the addition of auxiliary mirrors with an adjustable extension arm to be added under current mirror sets.

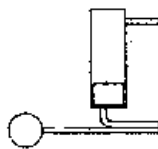

Installation shall allow all vehicles, in all conditions, to meet the Vehicle code requirements.
